Say "thank you" especially for the little things. It lets your spouse know you noticed and appreciated what they did, no matter how little the task.

What have you done for your marriage today?

"We know that all things work for good for those who love God, who are called according to his purpose." (Romans 8:28)

Do I really trust God? Do I believe that all things work for good? Faith is a challenge for everyone at times. Putting my trust in God - in everything I do - means that God's plan for my life may be different than my plan. When one door closes, another one opens. Trust in God. His plan is always better.

Our Summer Care program director was struggling one afternoon to get large boxes down the stairs for the children to make into a "train" a "fort" and whatever else they could imagine. A gentleman had stopped by school for something altogether different, but he stopped what he was doing, helped her get every box (16 of them!) down the stairs and into the cafeteria. The next day he came back with a box cutter and tape so she could get them ready for the children. God bless this Steward for selflessly giving of his time. Thank you also to Wells Furniture for the donation of these big boxes. The kids love them!
