Praise your spouse for something today, even if it's something small.

What have you done for your marriage today?

"For God so loved the world that He gave His only Son." (John 3:16)

As disciples of Jesus, we are called to lead holy lives and invite others to join us. Living a stewardship lifestyle, being grateful and generous with our gifts, serves a twofold purpose. One, it helps build God's kingdom here on earth. Two, it is a road map to heaven. Let's help each other get there!

MANY "Disciples of Jesus" were "generous with their gifts" at VBS this week: financial donations, donating supplies, prepping crafts, being group leaders, leading stations, preparing snacks that pertained to the theme of the day, decorating, making posters - even building a train! The success of VBS was due to all the wonderful help that each Steward gave – both "seasoned" parishioners and the many youth who came every day to help with whatever was needed. They truly helped "build God's kingdom here on earth." Those who attended the program and potluck on Friday were treated to a wonderful performance. A huge thank you to all who stayed to help clean up. God bless each of you for helping these kids learn more about the Blessed Virgin Mary – "helping them on the road to heaven!!" Special thanks to Jana (and her family) for all the love, effort, and time she gave to this worthwhile project.
