On, May 20, a devastating fire destroyed the building that was home to The Arkansas Pregnancy Resource Center, a faith-based non-profit organization that provides expert pregnancy options and counseling while empowering individuals and families to make life affirming choices. The fire consumed all of the APRC's ultrasound equipment, medical testing supplies, and donated goods for expectant mothers, but the ministry leadership is committed to rise 'out of the ashes'! Thus, today the APRC is announcing its "Out of Ashes" rebuilding campaign which will support the ministry in a temporary location, support the mobile ultrasound vehicle at locations throughout Central Arkansas, and raise the necessary revenue to cover the cost to rebuild a permanent location for the APRC. Please consider helping by making your 100% tax deductible donations by check to: Arkansas Pregnancy Resource Center Attn: Out of Ashes Fund, P.O. Box 25413, LR 72221, or you can donate with credit card via our portal at: www.pregnancylittlerock.com/donate The APRC has been serving women and families in crisis pregnancies for over 30 years. All services are free and include: first-trimester ultrasound, sexually transmitted disease testing, pregnancy confirmation, community/ physician referrals, on-site classes for parenting and sexual health, and post-abortion recovery services. All services are provided in a confidential, safe and non-judgmental environment. For more information, contact: Nicole Lashbrook Executive Director, 501-227-7944.

To receive services in our temporary location or with our mobile unit, please call: 501- 227-4357(HELP)

You think you're right. Your spouse thinks the opposite. Neither of you wins by proving the other wrong. Try giving the benefit of a doubt to your beloved. Try it their way – at least once.

"Then he took a cup, gave thanks, and gave it to them and they all drank from it." (Mark 14:23)

Jesus, the perfect steward, gave thanks just before He gave Himself to us completely for our salvation. In the Eucharist we meet Christ personally and, if we listen to Him, we know that drinking from His cup means our own sacrifice – giving up some of our time, talent and treasure to do His work on earth.

Thank you to the parishioners who agreed to put their names on the parish council ballot and serve our parish, if elected. Thank you for your generosity. Those elected were Beth Ullrich, Mary Freeman and Carl Stengel. Thank you, Rob, for your years of service on the council.

WHY DO I HAVE TO GO TO MASS?? Whether you're trying to answer this question for yourself or for other members of your family, how you answer will have a lasting impact. You may be tempted to say, "Because that's what this family does!" or "Because that's what the Church says we have to do!" What does that say about why we go to Mass? Does it make anyone more interested in going to Mass?

Reason 8: **We receive a special blessing.** The priest blesses us and commissions us to bring the love and peace of the Lord into the world.

If you are already going to Mass every week, praise God! If not, maybe you should think about coming back to Mass regularly. You won't be sorry!! (St. Philip the Apostle Church)
