*After work one day this week, do one of your spouse's chores before you settle down to relax. Regard their comfort and relaxation as highly as you regard your own.*

*"Do not let your hearts be troubled or afraid. (John 14:27)*

Our limited human understanding cannot begin to understand the immense power of God. Instead of trusting in God, we think we can control every outcome. Do you want to make God laugh? Tell Him your plans. The time worry, anxiety or fear creeps in, thank God for all He has given you and trust that He has a better plan for you.

St. Joseph School students have been great examples of Stewardship this week. Three teachers are switching classrooms for next year and the upper grades have been carrying, loading, unloading textbooks, desks, cabinets, etc. Not one time was there complaining or moaning about helping even though much of it included going up and down the stairs over and over again. They have truly been examples to the faculty of willingness, helpfulness and cooperation.
