Did I offer peace today? Did I bring a smile to someone's face? Did I say words of healing? Did I let go of anger and resentment? Did I forgive? Did I love?
These are the real questions.... Henry Nouwen

It's easy to pray for your own children – their needs are usually apparent. OCTOBER IS RESPECT LIFE MONTH. Pray today not only for your own children, but for ALL children in the world, especially the unborn.

What have you done for your marriage today? www.foryourmarriage.org

"It is easier for a camel to pass through the eye of a needle than for one who is rich to enter the kingdom of God." (Mark 10:25)

Jesus uses tough language that we may not want to hear. But we are each called to be generous with all our gifts, not just the ones we pick and choose, but ALL our gifts: our time in prayer to God, our talent in participating in parish ministries, and our treasure supporting our local parish and other charities.

During this Respect Life Month, let's keep in prayer those who continue to work tirelessly for "life" in its various stages – the pre-born, those on the margins of society, those at the end of their lives who depend on others for their care, those in prison especially those on death row. As members of the Catholic Church we stand for life from conception until natural death.

October is Respect Life Month and the Month of the Holy Rosar
